COMMUNITY IMPACT AWARD

Every year, Convalescent Aid Society's Community Impact Award is given to individuals or organizations that improve access to better healthcare for residents in our service area, including all of the San Gabriel and San Fernando Valleys. This year, we're honoring our community with a special presentation of our annual Community Impact Award.

In the aftermath of the Eaton Wildfire, our community came together in a remarkable way, demonstrating extraordinary resilience, compassion, and collaboration. This year, we will honor organizations in Pasadena and Altadena that immediately and compassionately responded to meet the needs of those residents who lost so much. These organizations represent the spirit of perseverance and selfless dedication that lives within us all.

Sponsorship and underwriting opportunities, event tickets, event and opportunity drawing information, and location maps are available at

www.CASgardenparty.com

The Convalescent Aid Society provides our communities free loan of durable medical equipment for personal use to improve the quality of life for those we serve.

A 501(c)(3) non-profit organization.
